

Origami of the World
Toshie Takahama Collection Exhibition

Ochanomizu Origami kaikan houses the huge origami collection which was handed over from Toshie Takahama. She dispersed fun of origami all over the world and collected all those origami works from such artists and origami lovers while she was on the overseas duty. Ochanomizu Origami Kaikan will show the very best of this collection at its gallery this summer. Authentic exhibition of these precious works would be the first one long after when they were traveling around Europe in 2011.
